## **Our thanks:**

We're enormously grateful to the management committee of Telegraph Hill Centre, and especially to the Centre Manager Jane Hartley, for welcoming us and providing rehearsal and performing space here. Thanks too to Leslie without whom we'd still be finding sequins, feathers and confetti long after the event! **Telegraph Hill Centre – [thcentre.com](http://thcentre.com)**

Last but not least – THANK YOU!

Without a fantastic audience there isn't a show, so thank you for coming – enjoy the show.
